## Sealite Masterclass Scheduled in Colombia, SA for 4-6 December, 2019

Tilton, New Hampshire – November 25, 2019 – Sealite’s final 2019 Masterclass will be held from 4 – 6 December in the Caribbean city of Cartagena, Colombia, SA. Organized by Sealite Americas in Tilton, NH, USA, the Masterclass will cover a variety of subjects related to IALA standards and requirements, as well as product application and real-world examples.

Aid to Navigation guidelines from IALA (International Association of Marine Aids to Navigation and Lighthouse Authorities) will be followed throughout the three-day event. IALA is responsible for filtering 30 dissimilar worldwide buoyage systems down to two major systems.

Speakers will include Sealite staff from Sealite Europe and Sealite Americas, who will present topics relating to product application and specification. Several other industry experts will also present at the Masterclass event.

Sealite Americas Sales Manager Jason Larrere stated, “We appreciate the commitment our guests are making to learn more about IALA-standardized navigation methodology and product applications. We hope to deliver content that will benefit their aid to navigation knowledge.”

Visit the Sealite [website](#) to learn about the range of marine aids to navigation or locate a sales representative or distributor. Inquiries about masterclass event locations in 2020 can be emailed [here](#).
